INVECS-III CVT AUTO TRANSMISSION

Coupled to the 2.4L MIVEC engine, the INVECS-III automatic CVT (Continuously Variable Transmission) with its 6-step Sports Mode delivers effortless acceleration from any speed, slicker gear changes and a smoother ride. Keeping the engine at optimum performance at all times, the CVT provides improved fuel efficiency and lower emissions. A smooth ride provides a comfortable driver experience, making everyday travelling and road trips relaxing thanks to exceptional space and luxurious style.

SUPER ALL-WHEEL CONTROL

This innovative electronically-controlled AWD system uses intuitive sensors to maximise vehicle control, distributing power to all four wheels, while four driving modes balance economy and performance. S-AWC supplies optimal torque to the rear wheels for enhanced traction, stability and control. It integrates with Active Yaw Control (AYC), which uses braking to distribute torque to the left and right.

SUPERIOR LUXURY AND COMFORT

The Outlander's 4695mm length translates into an exceptionally spacious interior. Designed with long road trips in mind, the cabin layout offers multiple configurations for any and every loading need. Add in 7 leather seats and the Outlander offers pure luxury and peerless comfort.

Manufacturer's Warranty: 3 year / 100 000km. Road Side Assistance: 5 year Unlimited Mileage.
